

ACTING FOR FILM 203 – AUDITION SIDES - ALEX

INT. BOSS OFFICE – DAY

ALEX has just been let go from their job.

START:> ALEX
So, that's it then?

BOSS
I'm afraid so. My hands are tied.

ALEX
But, I haven't even been here three months.

BOSS
Actually, you have. Your probation period ended yesterday.

ALEX
Did I do something wrong, or...?

BOSS
Not exactly. You're just, well, not a good fit.

ALEX takes this in. Turns to leave, then stops. Wheeling.

ALEX
I'm not blind, you know. Not stupid.

BOSS
Excuse me?

ALEX
I may not be one of your yes-men, kissing your
ass and gushing all over you...

BOSS
I think you should probably leave.

ALEX
And maybe I don't get in at the country club or
wear 2000 dollar outfits. But I am a fast learner,
I am passionate and thorough...I work SO HARD
and worst of all I actually CARE. I really give a shit,
or I suppose, I gave one. You know what? Thank you.
Thank you for saving me some time. (BEAT)
Pretty clear, I got better things to do.

ALEX exits like a rock star.
